---

<b>Occupation</b>	Educational institution
-------------------	-------------------------

---

### Summary

The Presbyterian Ladies' College (PLC) was founded in East Melbourne in 1875. In 1938, due to overcrowding at the original site, a search was conducted for a new location. The property "Hethersett", located in Burwood, was chosen and in 1939 the junior school moved out to the new campus. In 1958 the senior and boarding schools also relocated.
