Details

The Calendar was published annually for the coming year. Apart from a calendar of principal dates, the contents include: a description of the University and the work of the Departments of the Research Schools, lists of Council and Committee members, academic staff, senior administrative staff, graduates, research students, and members of convocation, legislation, statutes and rules, benefactions, and a list of staff publications. For 1971 (Part 1) and 1973 the publication was called General Information. A duplicate set for general reference use is located in the reading room.
