Do I Have To Kill My Child?

Repository National Film and Sound Archive

Reference [15358](#)

Date Range 1976 - 1976

Details

A young mother is lonely, cannot cope with her domestic responsibilities, and does not want her third baby. She desperately needs help but no-one will listen to her until the baby goes to hospital with a fractured skull.??There is documentation associated with the production of the film held in the NFSA collection.
