The ABC Radio Rural Woman of the Year Award was the brain child of Lisa Palu. With support from people in ABC Rural, she developed a program in the state of Queensland that went national.

Lisa has spent two and a half decades working in the agricultural industry, as a journalist and policy advisor to State and Federal Government ministers and farm organisations. In 2011 and she is the Manager, Public Affairs and Communication for CSIRO Livestock Industries. She remains involved in her own family's farm near Bundaberg, growing sugar cane and custard apples.
