Details

This series contains records of the National Fitness Council that, strictly speaking, belong in separate series, including minutes, subject files, financial records, printers blocks, press cuttings, photographs and examples of publications.??For preliminary box listing for units 1 to 94, see the Series List for GRG95 in Research Centres. For some item descriptions for units 99 to 114 click Consignment ID in the catalogue record.??For notes by A.E. Simpson concerning the history of the National Fitness Council see Box 94 Numbers 1008-1010. Additional papers created by the Council are held within PRG 1366/38 at the State Library of South Australia. See also records of Outward Bound S.A. Inc. SRG 305 in the State Library of South Australia.
