(1872 - 1942)

|                   |  |
|-------------------|--|
| <b>Born</b>       | 2 November, 1872, Carlton Victoria Australia       |
| <b>Died</b>       | 10 September, 1942, South Yarra Victoria Australia |
| <b>Occupation</b> | Medical practitioner                               |

### Summary

Constance Ellis became the first woman graduate of the University of Melbourne to obtain the degree of Doctor of Medicine (MD) in March 1903. She joined the pathology department of the Queen Victoria Hospital in 1902 and was honorary pathologist from 1908 until 1919. Ellis was the first woman to become a demonstrator and lecturer of Pathology at the University of Melbourne.

A foundation member of the Lyceum Club, Ellis was also a member of the Medical Women's Society, the Australian Association for Fighting Venereal Diseases, the Victorian branch of the British Medical Association, the National Council of Women of Victoria, the Victorian Baby Health Centre Association and the Emily McPherson College.
