Hecate

(1975 -)

Born 1 January, 1975

Summary

Hecate is an Australian feminist academic journal that has been edited by Professor Carole Ferrier since 1975. The double peer-refereed journal has a wide national and international circulation.

Hecate is published by Hecate Press, in association with the Research Group for Women, Gender, Culture and Social Change Research, in the School of Communication and Arts at the University of Queensland.
