[The Australian Image : Documentation] : {The Australian Image : Script, Post Production]

Repository National Film and Sound Archive

Reference [361199](#)

Date Range 1987 - 1987

Details

Contains scripts in the following order: Ep. 01, Lost and found, by Graham Shirley Ep. 02, Shed a silent tear, by Andree Wright Ep. 03, Days when the world was wide, by Andree Wright Ep. 04, It's on the record, by Albie Thoms Ep. 05, Hooray for radio, by Jacqueline Kent Ep. 06, Hot from the spot to the screen, by Albie Thoms Ep. 07, You gotta be kidding, by Wendy Thompson Ep. 08, Stop laughing, this is serious, by Wendy Thompson Ep. 09, The other film industry, by Robert Francis Ep. 11, Wonders of the age, by Graham Shirley Ep. 12, The one-eyed monster, by Catherine Brookman Ep. 13, A future for the past, by Graham Shirley. Note that Episode 10, on advertising, was not made, and that the order of scripts in this collection is slightly different to the order in which the productions were finally presented. Scripts were edited by Ray Edmondson and Nick Hildyard, and so additional drafts for some episodes appear in this collection.
